

# CERTIFICATE

## ISO 50001:2018

DEKRA Certification GmbH hereby certifies that the organization

### LTI-Metalltechnik GmbH

#### Scope of certification:

Design, manufacturing, assembling and distribution of complex assembly groups and components, tool manufacturing and surface refinement  
Processing of complex sheet metal parts and components, mechanical processing of components and assembly groups as well as tool and jig manufacturing  
Manufacturing and assembling of complex sheet metal parts and components, surface refinement  
Manufacturing of complex sheet metal parts and components  
Manufacturing of complex wire and sheet metal parts

#### Certified location:

Im Flürlein 25, 74214 Schöntal-Berlichingen, Deutschland  
(further locations see annex)

has established and maintains an energy management system according to the above mentioned standard. The conformity was adduced with audit report no. A21061505.

Certificate registration no.:	181015099/2	Certificate valid from:	2021-10-09
Validity of previous certificate:	2021-10-08	Certificate valid to:	2024-10-08
